Father/Son Event -
Olympia
Gymnastics 3-5 pm

Mar. 12:
Noon Dismissal
Spring Break
Begins

Captain's Cup'd
Order Deadline

OLYMPIA GYMNAS-TICS: What a great turn out for our Mothers and Daughters last Sunday. Everyone had a superb time, and we raised some good funds toward our Home and School endeavors. Thank you to Matt and Brandi Elledge for opening up their facility for this fun time and for Missie Myers and her HSA team for planning this great event. Fathers, plan on bringing your sons to our next scheduled event at Olympia Gymnastics, on Mar. 7, from 3-5 p.m. Note the location at 85 Pem Drive, Hendersonville, NC 28792.

GETTING THEIR HANDS DIRTY: "You can learn a lot by the color of the soil. 6th grade did an

Outdoor LAB called Painting with Soil. Dark soils have the most organic matter. Thank you decom-

posers. Red or orange soils have more iron content. Students enjoyed being

out in nature, making their own mud paints and expressing what they learned in an unique way."

Jeannie Larrabee

PLANNING FOR 2021-2022: Thank you for those who have already paid your deposit toward our next school year for your child (ren). We will let you know when our online registration is available. The non-refundable Entrance Fee is \$495.00, and can be paid at the school office. If paid by May 20, 2021, you will receive a \$45.00 discount on this fee.

GREAT JOB DONE BY OUR STUDENTS: "So many people have shared with us what a blessing the 8th grade class was this past

weekend. 8th Grade planned and prepared a vespers program Friday night at the Fletcher SDA Church, and 5 of them spoke at the Arden SDA Church last Sabbath. Sharing Jesus and His soon coming were their themes! If you would like to see these recorded programs, check out the live streaming on both of these church websites."
